Please my boss

Please my boss
tell me what do you expected from a poem

Please my boss
let me teach you know you
need to behaves
to don't seem like a boss

Please my boss
tell me who is the boss

Please my boss
tell me who invited the another boss

Please my boss
let me know who you think you are
in that picture where nobody is you

Please my boss
let me suck one of your fingers
while you use your hand on the cellphone
